

The FFIEC has updated its Census and Demographic Data information available for use with HMDA and CRA. Census data are available in the following formats:

- [FFIEC Online Census Data System](#) (formerly FFIEC Census Reports) provides census data for Metropolitan and Non-Metropolitan areas, counties, and census tracts.
- [FFIEC Census Information Sheets](#)-summaries of how the census data have changed from previous years and guidance on how to combine the census data with the appropriate year(s) of HMDA and CRA data.
- [FFIEC Census Windows Application](#)-downloadable Windows-based tool that allows you to search and export data, and to create reports using the census data that is published in the HMDA and CRA aggregate and disclosure reports.
- [FFIEC Estimated Median Family Income Report](#)-a list of FFIEC Estimated Median Family Incomes for each MSA and for the non-metropolitan areas of each state.

You can view the FFIEC Census and Demographic Data Page here:
