

The CFPB has released the Reportable HMDA Data: A Regulatory and Reporting Overview Reference Chart for HMDA Data Collected in 2022. The chart can be used as a reference tool for data points required to be collected, recorded, and reported under Regulation C.

You can access the chart and other HMDA resources here: [Home mortgage disclosure reporting requirements \(HMDA\) | Consumer Financial Protection Bureau \(consumerfinance.gov\)](#)

CCI suggests sharing this information with your lending staff in charge of HMDA reporting.
