

There are two phases of changes that your bank will need to be aware of regarding Micro-Entries. The first phase is effective September 16, 2022, and the second phase will be effective March 17, 2023. For a taste of the rule changes view the related EPCOR article here: [Mark Your Calendar for the Newest ACH Rule Change! 📅 \(epcor.org\)](#)

CCI suggests sharing this with your ACH personnel.
