

The FFIEC released the 2024 edition of A Guide to HMDA Reporting: Getting It Right! for Home Mortgage Disclosure Act (HMDA) in May. The guide is a resource for financial institutions regarding HMDA requirements for data collected in 2024 to be reported by March 1, 2025.

You can access the guide [here](#).

CCI suggests sharing this information with your designated HMDA expert to assist in compiling the 2024 LAR data. Keep CCI in mind if your institution seeks an outside review of your 2024 HMDA LAR before submission.
